

March, 2007

Dear LC:

On behalf of the National Council on Qualifications for the Lighting Professions (NCQLP), I want to congratulate you on renewing your Lighting Certification. Enclosed is your updated certificate showing your certification has been renewed through December 31, 2009.

Your name and contact information is on the online LC Registry. Please be sure to advise NCQLP of any changes to your contact information, so that the LC Registry can be kept current. Keeping this information up-to-date is the only way that NCQLP can be sure to reach you. In addition, many who are interested in finding those Certified in Lighting consult the Registry regularly.

The 2007 edition of the Certification Renewal Guidelines will be available for downloading from the NCQLP website, [www.ncqlp.org](http://www.ncqlp.org), in the Spring of 2007. Please be sure to review this information carefully, so that you are able to plan your continuing education accordingly. As you participate in lighting related continuing education, place the documentation for each event in an LC Certification Renewal folder. Thirty-six Lighting Education Units (LEUs) are required every three years to maintain your LC. There are, also, those LCs who are audited in each cycle.

Should you have any questions or if we can be of assistance to you, please contact the NCQLP Office at (512) 973-0042.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Cilic".
