Dear Sir or Madam:

This letter serves as our positive recommendation for US Lamp. We recently finished a lighting and heating upgrade at our school. In a partnership with US Lamp we conducted an efficiency upgrade worth over \$125,000 at North Lake School. The people at US Lamp worked hard to help us utilize a Focus on Energy grant which helped offset the cost by over \$25,000. The courteous and conscientious professionals at US Lamp were easy to work with and responsive to our needs. Any endeavor which we may undertake in the future will likely involve the people at US Lamp.

Sincerely,

A handwritten signature in black ink, appearing to read "Paul Kreutzer", written over a faint circular stamp.
