

ST. BERNARD CONGREGATION

December 15, 2008

Dear Randy,

I wanted to let you know how pleased we are with the outstanding service you have given us. It has been a pleasure to work with someone so knowledgeable and helpful. When we made the decision to install new lighting in our church, we never imagined it could be such a pleasant experience. Your creativity and initiative in helping us find a lighting system that would meet our needs at a reasonable cost was truly a blessing.

We have always been able to rely on your flexibility and courteous service, and in this instance your staff made extra efforts to assist us in completing our project on time. We look forward to many more years of consistently excellent service.

Thank you so much.
